Maid Introduction

Sheryl B. Deocampo, single, a resident of Iloilo City, strategically located at the heart of the Philippines making it an ideal economic hub for trade, commerce and industry. A [degree holder in BS in Industrial Education major in Food Technology and successfully passed the Board Licensure examination](#) four months after graduation. She comes from a family consisting of seven children but unfortunately lost both parents while she was just 8 years old. Since then, she lived in the custody of an Aunt who is now 84 years old and whom she personally cared throughout the years before she was employed in Singapore last 2006. The rest of her siblings went under the care of the eldest brother therefore it is among her greatest desire to grant them permanent financial assistance she can provide while working overseas. Prior to her foreign domestic experience, she was a substitute teacher in a non-formal institution in their district giving adequate training and knowledge to out-of-school-youth enrollees for 3 months, then shifted to work as a Cashier, Checker, and back to teaching consecutively. She was initially selected by a Chinese-Burmese family generally doing household duties while concurrently looking after 3 children ending her 2-year contract. Thereafter, she was chanced to be chosen by a Dutch family whom she serves at present accomplishing all nature of domestic work while taking care of 4 young children. But with her great desire to provide substantial help to the education of her nephews and nieces she opts to work outside Singapore to receive a better take home pay.

1.) She characterizes herself to be reliable, trustworthy, industrious and responsible worker who [has in depth knowledge towards general domestic duties as she has over 3 years of the same experience](#). She is [highly dependable in minding young children](#) based on her former and current employment and [similarly able to care after elderly](#) as she had been a constant caregiver of her elderly Aunt while still in her home country. When it comes to the household work, [she is fully apt to perform relevant assignments](#) whether inside a unit flat or a landed property house. She is also [capable to do Chinese, Western and a bit of Indian cooking](#). With her earned diploma in Food Technology she is most likely able to follow and understand cooking procedures.

2.) Singapore (2006-2008 / 2008-present) Previously served a Chinese-Burmese family living in a 3-bedroom-flat caring after 3 children ages 4, 8 and 15. She was primarily hired to meet up with the housekeeping tasks, cooking, while at the same time have to pay attention to the kid's needs in school and inside the house. After a finish contract she now serves a Dutch couple staying in a 2-storey house with 4 children ages 2, 4, 6 and 7 years old participating in the same level of work and now wants to find better opportunity outside Singapore.
